### **Benefits**

**Tracking:** Check the status of packages anytime with just a click of the mouse.

**Inkjet or Laser-Printed Shipping Labels:** Enjoy greater convenience and accuracy when you complete FedEx Express, FedEx Ground, FedEx Home Delivery, and FedEx Express Freight shipping labels online and print them on your inkjet or laser printer. You can even process shipping labels for multi-package shipments up to 10 pieces, or Collect-on-Delivery (C.O.D.) shipments.

**Address Book:** By storing up to 2,000 names and addresses, you'll save time completing shipping labels to frequent recipients.

**Fast Ship:** Prepare shipping labels for repeat shipments to the same address with just two clicks.

**Courier Pickup:** Without picking up the phone, you can arrange for a courier to pick up your shipment. Courier pickup is available in the U.S., Canada, Puerto Rico and select countries in Europe and Latin America.

**FedEx ShipAlert®:** Spare yourself the phone calls or worries. An email message with relevant shipping information can be sent automatically to yourself, your recipient and two others announcing that a FedEx package is on the way and/or has been delivered.

**Shipping History:** No more storing receipts or manually maintaining records. Instantly see what you've shipped, and where, over the past 45 days.

**Courtesy Rate Quote:** Receive an account-specific estimate immediately on the price of your shipment using Courtesy Rate Quote.

**Quick Cancellation:** Cancel your shipment online with this easy-to-use feature. But, if you've just noticed an error on your shipping label, you can simply select "edit label" to correct the mistake without starting over.
